

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER
Monitoring Requirements Not Met for
Goat Island Water System 1450012 April 2021

Our water system violated several drinking water standards over the past year. Even though these were not emergencies, as our customers, you have a right to know what happened and what we did to correct these situations.

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. During April 2021 monitoring period we failed to collect triggered source water sample for Goat Island Water System and therefore cannot be sure of the quality of our drinking water during that time.

What This Means

There is nothing you need to do at this time. The table below lists the contaminant(s) we did not properly test for, how often we are supposed to sample for [it/them] and how many samples we are supposed to take, how many samples we took, when samples should have been taken, and the date on which follow-up samples were (or will be) taken.

| Contaminant | Required sampling frequency | Number of samples taken | When all samples should have been taken | When samples were or will be taken |
|-----------------|--|-------------------------|---|--|
| Bacteriological | Source sample required after routine positive sample | 0 out of 1 | April | ASAP to return to compliance Samples was collected June 8 & 9, 2021 and were both absent for Total Coliform and E.Coli. |
| | | | | |

Steps We are Taking

We are operating and maintaining system pressures and chemical feed equipment on a daily basis.

For more information, please contact Jay Kates of Town of Summerton at 803-917-6330 or jay@sewaterlab.com

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

Date distributed: _____.
